Gentili clienti,

con quel pizzico di orgoglio che solamente un vero produttore può avere,

Vi presentiamo la ristampa del nostro catalogo, nel quale troverete i nuovi articoli prodotti e i nuovi servizi offerti.

Tutte le zappe vengono realizzate, sempre, in acciaio C45 UNI 7847, da noi acquistato dalla Riva Acciai Spa, e bonificate al taglio. Nel corso di questi 10 anni abbiamo sostituito l'etichetta classica con una di nuova concezione nella quale,

oltre al nostro stemma, troverete stampata la dicitura "rigorosamente made in Italy" e il codice a barre EAN 13, ormai diventato indispensabile per una gestione ottimale dei magazzini; possiamo comunque sempre offrire anche una gamma neutra.

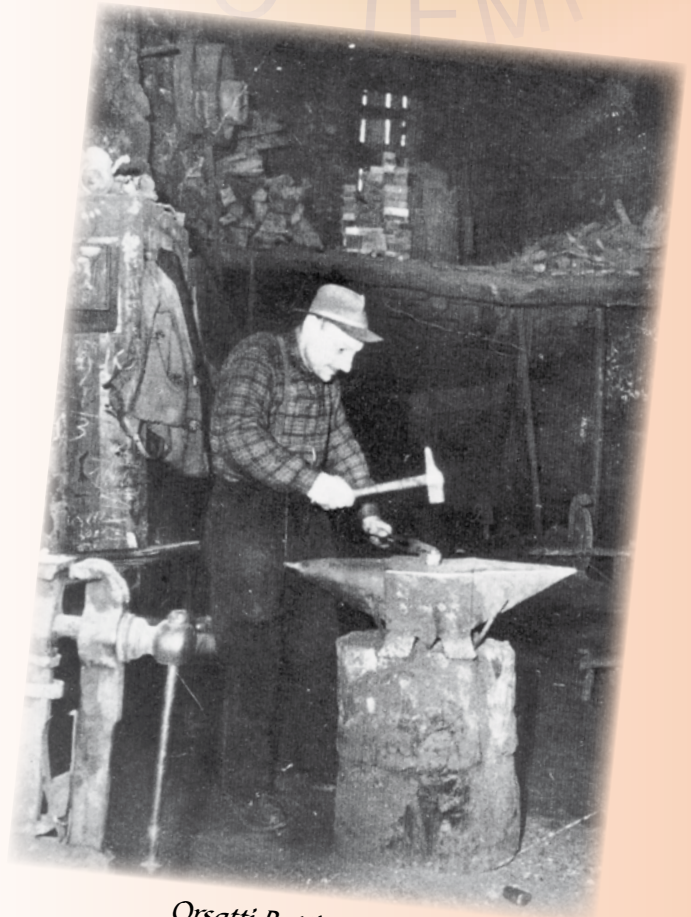

Inoltre presentiamo la nuova linea manicata, un prodotto professionale, interamente "made in Italy", di altissima qualità, da destinare sia alle vendite locali che alla grande distribuzione.

Il nostro obiettivo primario è quello di essere per Voi non solo fornitori ma partner di fiducia in grado di offrire sempre migliori servizi, competenza, affidabilità e correttezza.

Confidiamo di poter contare anche per il futuro sulla Vostra preziosa collaborazione perchè il rapporto di fiducia e stima che si è instaurato nel corso degli anni porti grandi e reciproche soddisfazioni.

Con cordialità
